

Caring Service Simplified

Bloomington Drug is a family-owned, independent pharmacy. We have enjoyed working with patients, physicians, and care givers in the metro area for over 60 years. Our pharmacy staff has extensive knowledge of the way assisted living and group homes function. We care about what you need and want to help you provide the highest level of care to your clients. We will simplify and streamline your medication dispensing practices. We are efficient, organized and focused on the customer. Our service is what defines us.

Let Bloomington Drug handle your facility's medications. We have experienced staff, with customized solutions

What you can expect from Bloomington Drug:

- Custom made M.A.R.'s (Medical Administration Records) printed monthly
- Packaging of all medications, including OTC's
- Multiple medication packaging options available
- Monthly medication orders delivered on any type of cycle for your convenience
- Deliveries by our pharmacy technicians
- User-friendly monthly billing systems
- Seamless transition, including communication to clients and their families
- In-services with a pharmacist

Call with questions or to schedule an introductory meeting.
We look forward to working with you.
